INTRODUCING FORMFOX MARKETPLACE

The Marketplace solution is a single source, electronic platform that delivers greater visibility, transparency, accuracy, and efficient reconciliation and payment for services.

Contact a Marketplace Account Executive today to learn how the Marketplace can simplify and improve your business!

WHY USE MARKETPLACE?

- **Size:** An extensive network of nearly 4,000 clinics offers screening and occupational health services where you need them.
- **Menu:** A broad menu of services such as drug screens, BATs, exams, clinical/blood draws, and other occupational health services is available from a single source.
- **Easy Access:** Through our client facing portal Workforce or via API.
- **Pre-Order Services:** Quick and easy, ensuring staff uses correct data while reducing data entry.
- **Support and Donor Experience:** Order a single service or many services on one order.
- **Track Event Status:** From beginning to end via automatic real-time status updates.
- **Results:** OHS events completed in clinic produce immediate electronic results delivery.
- **Simplified Billing and Reconciliation:** Everything on one invoice (collection, lab or FormFox Flex™ test, MRO, BAT, exams, clinical, and other occupational health services). Easy-to-follow financial trail from the order to the payment.
- **Clinics get paid fast – within two weeks!**
